BRHS Membership Application Form

Who we are

The Burlington Route Historical Society (BRHS) membership consists of diverse group of historians, collectors, railfans, photographers, modelers and railroad employees who have banded together to share one common interest, the Chicago, Burlington and Quincy Railroad; its two affiliates, the Colorado & Southern and the Fort Worth & Denver; and their predecessors. Founded in October 1979, the BRHS has enjoyed a steady growth that now allows it provide many benefits to its members.

Benefits

The Zephyr is a newsletter featuring Society news, current events, articles on modeling, and frequently data sheets on equipment, structures or operation. The Burlington Bulletin, named after one of the CB&Q's own internal publications, is a slick paper magazine with feature articles about operations, equipment and communities along the "Way of the Zephyrs." Each issue is devoted solely to the Burlington and contains no commercial advertising. However, publications aren't the only benefits of membership in the BRHS! The BRHS membership is made up of hundreds of people with railroad, modeling, research, archivial experience and more, willing to help any member with a problem or a question.

Fellowship

The fellowship created by this common interest and the opportunity for networking with members and others are the society's greatest assets.

Activities

Each fall the members of the BRHS meet in a city served by the Burlington. This 2-3 day meet normally includes our annual business meeting, model contest and display, photography contest, clinics, an evening dinner and program usually followed by slides and movies. A one-day spring meet, that includes a swap session, evening meal, and a program followed by slides, is also scheduled.
